

## NORTH STREET SCHOOL ISSUE NO.8

2 July 2020

Dear Parents & Caregivers

## PRINCIPAL NEWS

*Tena koutou katoa - Welcome to the last week of term 2. Well done to all staff and students for getting to this point after the interesting time you've all been through. Enjoy your holiday break and more quality time with your families.*

*Yesterday the staff celebrated and shared some great post Covid work the students have completed. Writing seemed to take a boost via home based learning, - not for every child, but for some, which was interesting. It is this curriculum area that we have been developing this year across the school.*

*Biannually NSS stages a school production. Next term will see the start of organising this. This year's focus will be on the students' Covid experiences, consequences, and outcomes. What we have learnt from the nation's experiences. This will be staged early Term 4 and showcase all aspects of the Arts curriculum.*

*We are a Kids Can school and today we received quality winter jackets for all students from Year 1-7. These were presented by ASB bank who partnered with Kids Can. It was an exciting time and we thank both of these businesses for this wonderful gift. We will be adding the NSS logo to them and these will be handed out to your children early next term. In addition to the Breakfast "Weetbix" Club we operate, we are also provided with food from Kids can. We realise that some whanau may be going through tough times, so if food is short please be aware that we can provide lunches if needed. We want all children to know that this food is for them, not to be stockpiled. Please have a chat with your child so they are not embarrassed to let their teacher know if they need lunch. Teachers are fully aware of what is available. More students each term are coming to the breakfast club and it has become a place to gather, eat and enjoy a good start to the day.
